FINAL EXAMINATION

---

**Open-book. Two hours.**

Write your exam number here: \_\_\_\_\_

**All exam materials (including this booklet, any scratch paper, and your response) must be turned in at the end of the period. You will not receive credit unless you return this booklet with your exam number written above. Do not turn the page until instructed to begin.**

**Notes and Instructions**

1. You may write anywhere on the examination materials – e.g., for use as scratch paper. Only answers and material recorded in the proper places, however, will be graded.
2. Your goal is to show your mastery of the material presented and skills learned in the course. It is upon these bases that you will be graded.
3. During the exam: You may not consult with anyone – necessary communications with the proctors being the exception. You may not view, attempt to view, or use information obtained from viewing materials other than your own.
4. After the exam: You may discuss the exam with anyone, except that you may not communicate regarding the exam with any enrolled member of the class who has not yet taken the exam.
5. Organization counts.
6. Feel free to use abbreviations, but only if the meaning is entirely clear.
7. **Bluebooks:** Make sure your handwriting is legible. I cannot grade what I cannot read. Skip lines and write on only on one side of the page.
8. **Computers:** Please clearly label your answers to each question.
9. Do not write your name on any part of the exam response or identify yourself in any way, other than to use your examination I.D. number appropriately. Self-identification on the exam will, at a minimum, result in a lower grade, and may result in disciplinary action.
10. Good luck.
